Upon receiving via USPS mail (NO E-MAIL) a properly completed perspective member application, it will be placed on a processing list. The prospective applicant will be notified upon receipt of their application and given an application control number to track the status on the RCWA web site. Applications for membership will be considered in the order that they are received vis USPS mail. Prospective members will be notified by mail with detailed instructions when their application is selected for processing. The prospective member will have 30 days to submit a properly completed membership application and all applicable fees. Full membership applications not received within the 30-day period or incomplete applications will be put on hold for up to 60 days until all required documentation is available or rejected if not completed in a timely manner by the applicant. Details of the full application required documentation is on the RCWA web site under the Membership tab. The RCWA Board reserves the right to request more information from an applicant prior to approving or rejecting an application for membership.
